Description: The adventure that started it all, introducing readers to Dirk Pitt, oceanography's answer to Indiana Jones (Associated Press), and a #1 New York Times-bestselling series. On a quiet Greek island, a U.S. air force base has come under attack—by a World War I fighter plane . . . a famous yellow Albatros supposedly lost at sea in 1918. Now it is up to...

Review: Cussler started out with real flair for creating the Dirk Pitt series. Non-stop action, plenty of twists and turns in the mystery part of the plot, great historical inclusions, terrific marine biology and geology as well as early 20th Century seagoing and aeronautical craft information from the big wars of the era, and a good start at building the characters...
